**1 RIVER LOOP** 11.3 km Moderate

This loop is intended for those who wish to travel between Fergus and Elora efficiently. It provides the shortest way to commute on-road between the two towns. Although suitable for both pedestrians and cyclists caution is required as this route shares the road with vehicles with a posted speed limit of up to 60 km/h.

**2 UPPER GRAND GORGE TRAIL** 2.6 km Moderate

This route provides one of Elora's most spectacular views. You'll see the Tooth of Time, Lover's Leap and the Elora Gorge. The route is partly sidewalk and recreational trail and may provide a challenge for some users. Pedestrian Only.

**3 BISSELL LOOP** 1.8 km Easy

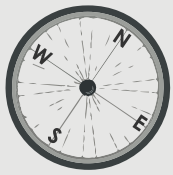

This loop will take you to one of Elora's favourite parks. Bissell Park contains a wonderful boardwalk and paved path. You will see downtown Elora and a splash pad to cool off. Most of this route is on-road/sidewalk with two pedestrian bridges. Cyclist and pedestrian friendly.

**4 RIVERWALK LOOP** 719 m Easy

This short loop in Fergus provides a great view of the Grand River and the falls. Right in the heart of downtown Fergus the terrain is sidewalks, boardwalk and recreational trail suitable for all abilities. Pedestrian Only.

**5 TRAILS LOOP** 9.3 km Moderate

The Trestle Bridge gives you a view of the Grand River and the County Museum that is spectacular. The Trestle Bridge Trail and the Elora Cataract Trailway are joined in a loop by some on-road sections. The stone dust paths provide easy terrain for cycling and hiking.
